SIBLING RIVALRY

2014 SIBLING RIVALRY WHITE

SIBLING RIVALRY

What happens when 3 brothers work together? Sibling Rivalry is three brothers and three blends; with three grapes per blend in our red, white & pink.

Sibling Rivalry is about outcomes. The sum of the parts that make up the blends we produce, and, the sum of the partnership known as The Speck Brothers.

DESCRIPTION

Bright, white and out of sight; the triumvirate of Riesling, Chardonnay and Gewurztraminer. Long names and hard to pronounce, so we call this wine 'White'. Not just another single varietal wine - why choose one grape when you can have three? Think lime citrus and apple freshness with a dash of lychee fruit, in that order. As someone said at a recent event, "tastes like a sun-vacation".

WINEMAKER'S NOTES

- Made from Riesling, Chardonnay and Gewurztraminer
- Fermented at cool temperatures from 15 to 17°C in stainless steel tanks.
