## 2015 SIBLING RIVALRY PINK

### SIBLING RIVALRY

What happens when 3 brothers work together? Sibling Rivalry is three brothers and three blends; with three grapes per blend in our red, white & pink.

Sibling Rivalry is about outcomes. The sum of the parts that make up the blends we produce, and, the sum of the partnership known as The Speck Brothers.

### DESCRIPTION

The missing link between Red and White or night and day, how could Sibling be without a Pink? This final addition to the triumvirate is a hardy pink blend around which both men and women can finally unite. Behind its handsome bad boy demeanor is a blend that offers tastes of summer cool and winter heat. Is it a red that drinks like a white, a white that drinks like a red, or just a manly pink wine?
