SIBLING RIVALRY

2017 SIBLING RIVALRY PINK

SIBLING RIVALRY

What happens when 3 brothers work together? Sibling Rivalry is three brothers and three blends; with three grapes per blend in our red, white & pink.

Sibling Rivalry is about outcomes. The sum of the parts that make up the blends we produce, and, the sum of the partnership known as The Speck Brothers.

DESCRIPTION

The missing link between Red and White or night and day. This final addition to the trio is a hardy pink blend around which both men and women can finally unite. Behind its handsome bad boy demeanor is a blend that offers tastes of summer cool and winter heat. Is it a red that drinks like a white, a white that drinks like a red, or just a manly pink wine? Aromas of juicy watermelon. Flavours of strawberry rhubarb pie.
