SIBLING RIVALRY

THE
CURRENT
RESULT OF
OUR
SIBLING
RIVALRY IS

THREE BLENDS;

For each red, white & pink Sibling Rivalry wine release, three of our carefully grown wine varieties are selected by the three Speck brothers, and blended to make something fantastic; enjoyable wines that are full of character and depth.

Our family estate vineyards are located in the VQA appellation of the Short Hills Bench.

2010 SIBLING RIVALRY PINK

The missing link between Red and White or night and day, how could Sibling be without Pink! This final addition to the triumvirate brings Cabernet, Syrah and Gamay to the table in a hardy pink blend around which both men and women can finally unite. Behind its handsome bad boy demeanour is a blend that offers tastes of summer cool and winter heat. Is it a red that drinks like a white, a white that drinks like a red, or just a manly pink wine?

2010 SIBLING RIVALRY WHITE

Bright, white and out of sight; the triumvirate of Riesling, Chardonnay and Gewürztraminer. Long names and hard to pronounce, so we call this wine 'White'. Not just another single varietal wine -- why choose one grape when you can have three? Think lime citrus and apple freshness with a dash of lychee fruit, in that order. As someone said at a recent event, "tastes like a sun-vacation".

2009 SIBLING RIVALRY RED

Like three good friends out on the town this wine is Merlot + Cab. Franc + Cab. Sauvignon: dark, juicy and delicious. Lots of lush berry flavours. The savoury flavours from oak aging add ambiance, like dinner by the fire in the den or the backyard.
